# Chirag Katkoriya

*B.Tech – Information and Communication Technology*

202301259@dau.ac.in ChiragKatkoriya github.com/Chirag16012005

Dhirubhai Ambani University
Technology
Formerly DA-IICT

## Education

**Dhirubhai Ambani University** 2023 - Present
***CPI**: 8.40* *Gandhinagar, Gujarat*

**Advait Vidhyaniketan (GHSEB)** 2022 - 2023
***Percentage**: 85.69 %* *Bharuch, Gujarat*

**Shree Gattu Vidhyalaya (GSEB)** 2020 - 2021
***Percentage**: 94.33 %* *Ankleshwar, Gujarat*

## Projects

**Agrimart** | *PostgreSQL*

- Collaborated on the design and implementation of a relational database system for Agrimart, an agricultural trading platform built using PostgreSQL.
- The system supports direct transactions between farmers, buyers, dealers, and transport providers, with the aim of minimizing the dependency of intermediaries, ensuring fair pricing.
- It serves as a backend data system for managing crop and item listings, user information and order processing. It supports both farmer-to-buyer and dealer-to-farmer transaction flows.

**Synapse Website** | *NextJS*

- Official website for the college fest Synapse, developed collaboratively with the frontend team, focusing on responsive UI and smooth user experience.

**Vision RAG** | *VisionLM FASTAPI, NextJS, Milvus, Javascript, OCR*

- Designed and implemented a multimodal RAG pipeline supporting images, PDFs, audio, video, and web links using Vision Language Models (VisionLM) for cross-modal understanding.
- Developed an end-to-end system with FastAPI backend (OCR, embeddings, ingestion APIs) and Next.js frontend, delivering grounded, context-aware AI responses

## Technical Skills

**Languages**: C, C++,SQL, HTML, CSS, Javascript
**Frameworks**: ReactJS, NodeJS, ExpressJS, FASTAPI
**Developer Tools**: Git, VS Code, Postman, Jupyter Notebook
**Databases**: PostgreSQL, MongoDB
**Soft Skills**: Team Collaboration, Leadership, Problem Solving, Communication
**Coursework**: Data Structures and Algorithms, DBMS, Object Oriented Programming, Computer Networks
**Areas of Interest**: Competitive Programming, DSA, Backend Development, Machine Learning

## Position Of Responsibility

**Radio Jockey- Deputy Convenor** May 2025 - Present
*Radio Club, DAU*

- Actively contributed to the planning and execution of club events, ensuring smooth coordination.
- Participated in multiple audio recordings and content creation sessions as part of the club's activities.

## Achievements

- Achieved an All India Rank of 7862 in JEE Advanced and secured a state-level ACPC Rank of 182 under the GSHSEB board.
- Solved 800+ coding problems across all platforms.
- Contributed to the frontend development of Synapse, the college fest website, focusing on meeting the design requirements.
- Built and presented Vision-RAG, a multimodal VisionLM-powered RAG system with scalable Milvus-based semantic retrieval, at a hackathon organized by Intuitive AI.
