Signature of the supervisor Date:

B.Tech Mini Project 1(PC406) and 2(PC407) Guidelines

B.Tech. Mini Project(BMP) 1 and 2 are courses offered to the B.Tech.(ICT), B.Tech.(ICT+CS). The credit structure for both these courses is 0-1-4-3 (weekly contact hours - 5).

These courses are offered to encourage supervised project work and are considered under the “Technical Elective” category.

The conditions for registering for any of the two BMP courses are as follows:

1. BMP is allowed only on campus and under the supervision of a member of a faculty.
2. On-campus full-time faculty can only be mentor for a BMP project.
3. A student is allowed to register for at most one BMP in one semester.
4. A student is allowed to register for a maximum of two BMP (the combined credit for BMP should not exceed 6) during the entire program.
5. Student is allowed to register for BMP in the semester in which (s)he is not registering for any Audit course.
6. Students can do a BMP in a group of not more than 2 students.
7. A faculty member cannot supervise more than THREE BMPs
8. A student can register for BMP in Semester 6 onwards.
